Love a child. Ace a wish!

What began as a wish for upgraded tennis courts has become a major project that will provide free or low-cost organized fitness programs for Knoxville's youth and adults.

Make-A-Wish Foundation® of East Tennessee

Our Mission is to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy. The Make-A-Wish Foundation® of East Tennessee granted its first wish in 1988 and has granted over 850 wishes through the services of more than 120 volunteers. Any child 2½ and under the age of 18, who has been determined by a physician to have a life-threatening illness and has not been granted a previous wish, may be eligible. Make-A-Wish® grants wishes to all eligible children, regardless of race, religion, or socio-economic status. Granting a child's one greatest wish inspires him or her to continue living with exuberance. We feel that the doctors provide the medicine, and we provide the magic!

Clayton

Billy

Madison

Wishes to be granted by this years event _____

Clayton - Age 14 - Wish: To go on Caribbean Cruise

His favorite book is Huckleberry Finn so it shouldn't surprise us that he wants to go on a water adventure. He has never been on a cruise and is very excited to go on the waterslide on board the ship and be able to stop at different islands.

Billy - Age 11 - Wish: A Room Makeover

He is confined to his home with the exception of doctor's appointments so since Billy can't get out into the world we are going to bring the world to him. His school/playroom is a happy place for him. His room make over will include a mural of the woods, a wall mounted TV that will be networked with his Dynavox (a computer he uses to communicate with), an actual waterfall that he can control with his Dynavox, new furniture for storage, a special keepsake item from his favorite NASCAR driver, new lighting and internet.

Madison - Age 11 - Wish: To meet Justin Bieber

She absolutely LOVES Justin Bieber. Ask her and she'll tell you everything you'd ever want to know about Justin Bieber...she knows everything about him and can't wait to meet him!
